NOON
LIONS**

Defining Service

On September 1st, 2nd and 8th a pride of Lions were led by Lion Anse to deliver dictionaries to local 3rd Graders. Young scholars were beyond exctatic to hold a new tool to aid them in their present and future studies. This once again proves we not only serve for the present, but for the future of Kingsville, Texas and the world alike. Job well done Lions

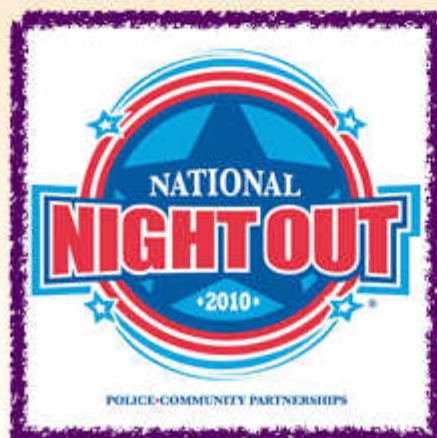

Right around the CANDY CORNER

A tag team ghostly effort between Kingsville Noon Lions Club and South Texas Narcotics Task Force will cohost this year's Haunted House & Ghostly Games. Stay tuned for more updates on place time and location.

Football Frenzy

The Javelinas are revving up for their first home game. Kingsville Noon Lions Club is needed a chairperson for the 1st home game tailgate on September 18th. Anyone want to step and lead us to a winning tailgate?

Showing Kingsville how WE SERVE

Kingsville Noon Lions Club will have a booth at this year's National Night Out scheduled for 6pm - 10pm on October 5th at the J.K. Northway Exposition Center. Let's show off our club to the community and give back in a different way.
